REGISTRATION FORM

Delegate information: The Los Angeles District Advisory Board has made the following decision regarding delegates to the 2010 Los Angeles District NMI Convention:

Every recognized congregation on the Los Angeles District is allowed to send four delegates to the Los Angeles District NMI Convention. This includes organized churches, multi-ethnic churches that function under the umbrella of an English church, mission-type churches, and new-start churches. The four delegates should include the pastor, the NMI president or missions leader, plus two more. The *2005-2009 Manuel* explains how a church may send more than four delegates under Section 2. District Meetings, page 329. Each congregation is encouraged to have the full mount of delegates allowed by virtue of its membership attend the convention.

An offering will be received to help cover convention expenses during the Wednesday evening rally. During the Thursday NMI Convention pledges and payments for the District NMI Work & Witness 2010 project for the JESUS Film Harvest Partners will be received.

PLEASE PRINT. This information is vital for our record-keeping process. Please don't leave blank.
